1890 F 890

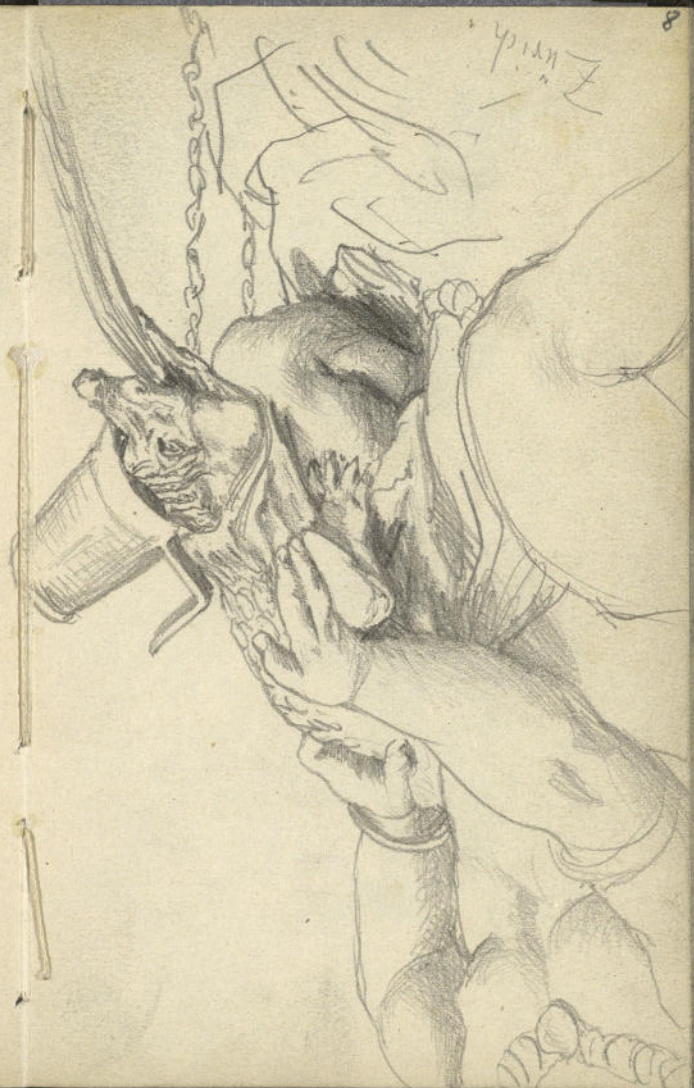

A page from a sketchbook, likely belonging to the architect Frank Lloyd Wright. The page is filled with dense, handwritten text in cursive, which is largely illegible due to overlapping and fading. A pencil sketch of a tall, narrow building with a chimney is visible in the center. The date '1876' is written at the bottom right. The overall appearance is that of a working sketch or a page of notes.
