Instruments	Forme d'expression
Makhweyane bow (voir pages 3 et 4)	This song expresses the hardship that must be borne by a young man in one of the king's regiments: forever roaming about the country, and having to sleep in the open air. The notes produced on the bow are the same as in item 4: a stopped note is used in addition to the two open-string notes. The vocal mode is hexa, as represented in diagram 10.
